**WARNING! [Owners of Mitsubishi big screen TV's (larger than 36") manufactured between 1994-1996]**

If you own a Mitsubishi big screen television (larger than 36") that was manufactured between 1994-1996 and if your TV code is 449, **DO NOT USE THE MENU KEYS.**

**Due to a revision** in the transmission of IR **by Mitsubishi**, using the Menu keys may make your TV inoperable. Recoton Corporation assumes no responsibility for the manufacturer's design changes or for any damage to your television or any other incidental or consequential damages.
